Feed supplement Restore balance

C-150

C-150 has been specially developed to supplement the rations of all types of horses.

Available in 15 kg bags

LONG-FIBRE FODDER

This high-fibre fodder feed supplement ensures digestive comfort and vitality for all types of horses and ponies.

Enriched with Prebiotics: MOS (Mannan-oligosaccharides), intestinal flora bio-regulators that help promote the digestive transit.

The addition of fibres mixed with the feed slows down ingestion, stimulates chewing and increases saliva production, which contributes to gastric comfort.

Contains a complex of minerals, trace elements and vitamins.
