

Sport & Leisure - Maintain balance

S-150

Because the well-being of your horse is a priority, ROYAL HORSE ensures the right balance between comfort and vitality. Our Sport & Leisure offering is designed to maintain good digestive health and support the muscular effort of horses.

S-150 provides the energy required for occasional sports or leisure work and is specially formulated for gastric comfort.

Available in 20 kg bags

PELLET/FIBRE MIX

This high-fibre fodder feed supplement guarantees digestive comfort and vitality for sport and leisure horses and ponies.

Enriched with Prebiotics: MOS (Mannan-oligosaccharides), intestinal flora bio-regulators that help promote the digestive transit.

Low in starch (5%) and free of whole grains, to limit gastric fermentations.

Contains long-fibre alfalfa to increase saliva production during ingestion and thus limit the decrease in gastric pH.
